represent a collaboration of two or more network members. PLEASE USE FULL NAMES

- *This should be a continuation of the list that began with the initial term report. New publications should be appended to this list, with appropriate changes if necessary, e.g. full journal citation instead of “submitted” or “in press.” Thus, this list, which began with #1, should be amended and added to; continue numbering the Leducq cited/acknowledged papers throughout the 5 years.*

Please ensure that citations include ALL authors.

- *If an article has more than 20 authors, please only list the first and last author and any Leducq Network authors. Please make a notation next to such articles to indicate this option was done.*

2. Inventions, patents, licenses.

Please list, by year, any inventions, patent applications, copyrights, licenses, sales or revenue-generating agreements concerning inventions, discovered or arising out of research supported by Fondation Leducq, as indicated in the Research Agreement.

Please note: You may take the list you started with the first term report, and add to it, indicating the newer reporting period.

- IV.** Please comment on anything else that you think the Fondation Leducq should know on the work of the network during the NCE year.
